

A Residential Opportunity

has become available on the Template Homestead, in Decatur, Tennessee.

The original tiny house, this yurt is available for short or long-term rental, or for purchase. The yurt is a 24-ft round house, 452 sq. ft. on the ground floor, a 15-foot high ceiling at the peak, with a 1/4 lofted area for sleeping or storage.

Features includes one full bathroom, a full kitchen, kitchen island, washer/dryer, skylight, pull-out custom closet, and pull-out custom pantry.

Can be furnished or unfurnished, as preferred.

An excellent outdoor porch features sweeping views of the western sky and sunsets. The yurt is currently being repainted for a new, bright look!
